"We sleep safely at night because rough men stand ready to visit violence on those who would harm us."

Winston Churchill

DO YOU HAVE YOUR 2021 membership card. So, if you have not renewed please do so by either mailing in your dues or you can just stop by and pay at the bar.

We are needing volunteers to set on committees such as building improvement, Boys State, and membership. If you have the time and want to help improve the post please attend our membership meetings and get involved. We close the post down during the meeting and then enjoy a drink after the meeting to socialize with one another.

Oh, What a year 2020 was. We can only hope 2021 is better and a little bit back to the new normal. We try to keep up with the guidelines and protect our membership the best we are able without jeopardizing the moral and safety of the post and all its members.

We will be having our February membership meeting. It is getting close to nominations for the 2021/2022 elections. So, here is your time to run for and be part of the board and make a difference in the future of the post.
